THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Hinsdale qualified to vote on Town affairs:

You are hereby notified to meet at Town Hall, on Tuesday, the 11th day of March, 1952, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To elect all necessary town officers.

Article 1A. To see if the provisions of Chapter 171-A of the Revised Laws relative to playing games of beano shall be adopted in this town.

Article 1B. To elect delegates and alternate delegates, delegates at large and alternate delegates at large to the national conventions of the various political parties to be held to nominate party candidates for President and Vice-President of the United States of America.

(Polls are open on Articles 1, 1A and 1B from 9:00 A. M. to 6:00 P. M.)

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, auditors and other town officers.

Article 3. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for the maintenance of the fire department, for highways, and for all other necessary expenses arising within the town.

Article 4. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$40,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town negotiable notes therefor, said

notes to be repaid during the current municipal year from taxes collected within the current municipal year.

Article 5. To see if the town will vote to raise and appropriate the sum of \$376.49 to which the State will contribute \$2,509.90 to be expended on Class 5 roads.

Article 6. To see if the town will raise and appropriate the sum of \$500.00 to pay for graveling and tarring one of the roads in Pine Grove Cemetery or act in any manner thereon.

Article 7. To see if the town will raise and appropriate \$100.00 to pay for spraying of elm shade trees owned by the town or act in any manner thereon.

Article 8. To see if the town will raise and appropriate \$2,500.00 to pay the cost of painting the Depot Street bridge or act in any manner thereon.

Article 9. To see if the town will vote to raise and appropriate a sum of money sufficient to erect permanent markers for the following four early landmarks: Shattuck's fort, Fort Hinsdale, the Liscom-Holman house, and the site of the first church in Hinsdale or act in any manner thereon.

Article 10. To see if the town will authorize the construction of a new fire station at a cost of approximately \$35,000.00 or act in any manner thereon.

Article 11. To see if the town will vote to borrow on the credit of the town a sum not to exceed \$25,000.00 for the construction of a sewer line to connect the present inlet line of the septic tank at the south east end of the playground with the end of the existing sewer line on Prospect Street or act in any manner thereon.

Article 12. To see if the town will vote to adopt a plan for extending to employees of the town the benefits of title II of the Federal Social Security Act (Old-Age and Survivor's Insurance) as authorized by Chapter 234 of the Laws of 1951 and to raise and appropriate the sum of \$460.00 to defray the town's share of the cost thereof.

Article 13. If the foregoing article is adopted, to see if the town will authorize the selectmen to execute on behalf of the town the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the Town Treasurer as the Officer to be responsible for the administration of the plan.

Article 14. Transact any other business that may legally come before this meeting.

Given under our hands and seal in said Hinsdale this 15th day of February, 1952.

JOHN W. ROYCE,
J. DAVID DUGGAN,
CLIFFORD D. STEARNS,
Selectmen of Hinsdale.

A true copy of Warrant—Attest:

JOHN W. ROYCE,
J. DAVID DUGGAN,
CLIFFORD D. STEARNS,
Selectmen of Hinsdale.

REPORT OF THE TOWN AUDITORS

The various books of account of the Town Departments, listed below, have been audited, as of December 31, 1951. We have verified the totals reported in all instances, and wish to state that they are correct and accurate to the best of our knowledge and belief. We did not check all figures making up these totals, but have made miscellaneous random checks of various items and are satisfied as to the accuracy of the numerous accounts.

In all cases where bank statements were not available, as of December 31, 1951, we have requested and received confirmations of the figures on that date from the depository banks.

According to the requirements of the New Hampshire State Tax Commission we have sent out confirmations relative to unpaid taxes, as shown in the books of the Tax Collector. This procedure is followed as a protection both for the Collector and those persons whose names appear on his unpaid list.

This year the Attorney General of the State requested Auditors to verify, to him, the accounts of the Trustees of Trust Funds. The report is the first of its kind to be required and we wish to thank Mr. Holman for his work in the preparation of it. We also wish to express our thanks to the Treasurers of the various departments for their cooperation and assistance.

HAROLD C. HOLLAND,
TUCKER H. DAVID,
Town Auditors.

Books audited:

Town Treasurer	Tax Collector
Selectmen	Trustees of Trust Funds
Road Agent	Library Committee
Town Nurse	Town Clerk
Fire Department	Water and Sewer Department

REPORT OF THE HINSDALE PLAYGROUND COMMITTEE

The playground and all equipment were put into first class condition early in the spring of 1951. All equipment, buildings and swimming pool were given a coat of paint by the caretaker, Joe Doucette. The ball diamonds are used to great extent during the school year but very little in the vacation months. A portion of the field is used by the school for volley ball and football games. Some new equipment has been added. Twelve new park benches, eight new swings and swing frame, four new teeter boards, a giant stride and a horizontal bar were purchased. The three hundred dollars appropriated by the School District was spent purchasing and setting up some of the equipment.

One week after school closed for the summer vacation the playground was opened under the supervision of Mrs. Rosetta Lowe, assisted by Miss Mary Lou Bousquet. It was operated from 11 a. m. until 4 p. m. Arts and crafts and metal work were taught as well as swimming and sports. Movies were shown three different nights and were well attended by the children as well as adults. They were paid for by selling pop corn, soda and candy. A collection was also taken among the adults.

A great many visitors and tourists stopped and were amazed to think the Town of Hinsdale, N. H. had such a playground well supervised and well equipped. The bath house has helped a good deal in keeping the field clean. The center of the house has a room which is used in the summer by baseball teams.

The 4th of July celebration was held with favorable weather and a large crowd attended the midway and the fireworks display. The net proceeds for the night were \$390. This money is used to replace, repair and purchase new equipment as needed. Each year our playground is growing. The Committee wishes to thank everyone who worked and helped in any way to make this annual event so successful.

The sidewalk in front of the field has added a great deal to the looks of the playground.

The swimming pool as well as all the other equipment is used a great deal outside the supervised time. Many organizations and various churches used the grounds and buildings this year. Many picnic parties were also held in the evening.

The playground committee wishes to thank all of the townspeople, organizations and others who have helped to make our playground a success. We hope to continue our efforts in maintaining the present high standard of Hinsdale Playground.

Respectfully submitted,

EDMUND A. BOUSQUET,
THEODORE M. SIKOSKI,
CHARLES N. PARDEE,
BERNARD E. O'CONNOR.

REPORT OF THE WATER AND SEWER COMMISSIONERS

At the present time, our filter plant, operating for fifteen hours each day, is processing an average of 200,000 gallons of water in that time. Although both of the filters were completely cleaned and new sand placed in both tanks we feel that we have reached the operating capacity of the plant. This opinion has been confirmed by the constructing engineers. Therefore, we are of the opinion that further extensions of the Hinsdale water system are undesirable and not practical until such time as the plant is enlarged, an additional standpipe added, or until another source of supply is located that would be independent of our present source. We do not mean to indicate that Kilburn Pond is not sufficiently large enough but rather that an additional source would place less dependence on Kilburn under our present line locations.

This past summer the septic tank at the south end of the Playground was cleaned out and the overflow pit was graveled and enlarged. However, due to wet land conditions as well as the strain imposed by the Elementary School, we now find that the pit is unable to satisfactorily handle the increased flow properly. Therefore, we are asking for authorization to connect

the pit to a better drained outlet by the construction of a sewer line as explained in our article in the Town Warrant.

The increase in water rates, effective last July 1st, has enabled us to refund to the Town the sum of \$2,130.00. This amount represents bond interest of \$870.00 plus \$1,260.00 representing a refund of \$20.00 on the annual charges for fire hydrants.

At the time of closing our books for 1951 the following amounts were due on unpaid bills outstanding:

Water rents	\$189 72
Sewer rents	13 23
	<hr/>
	\$202 95

HAROLD C. HOLLAND,
EDWARD J. McCORMICK,
TUCKER H. DAVID,
Water and Sewer Commissioners.

REPORT OF THE SUPERINTENDENT OF THE WATER WORKS

During the past year we have had increasing trouble with the beavers in areas between the dam at Kilburn Pond and the filter plant. We have done a considerable amount of trapping as well as having the dams dynamited several times. Although we have not succeeded in getting rid of all of them we are still maintaining a close check on their activities and still have traps set.

This summer the entire stream bed was cleaned of trees and other accumulated debris. The net result has been an improvement of the flow as well as a slight decrease in the amount of chemicals required to clear the water.

All of the sewer lines have been cleaned out and most of the water lines were flushed.

I would like to mention that when the Playground septic tank was cleaned the amount of refuse removed amounted to over 20 truck loads. While the work done did help the situation, the present conditions of the overflow are not the best.

In the cold spells of December and January we were forced to filter amounts of water that were in excess of normal demands. This would seem to indicate that some persons were permitting water to run continually to prevent freezing of pipes. This in turn requires longer plant operations, increased operating costs, and in a sense penalizes those who have made efforts to insulate or otherwise protect their pipes. Your cooperation is earnestly requested as the only alternative would be the installation of meters where it is known that the above practice is being followed.

I wish to take this opportunity to thank the Commissioners, the Selectmen and the Fire Department for their cooperation during the year.

Respectfully submitted,

CHARLES W. HARRIS,

Superintendent.

SEWER DEPARTMENT

Cash balance (as transferred)*	\$1,392 64	
Income Jan. 1, 1951 to Dec. 31, 1951	222 09

WATER DEPARTMENT

Cash balance, Jan. 1, 1951*	\$3,372 58	
Income Jan. 1, 1951 to Dec. 31, 1951	9,735 00	
		<hr/>
		\$13,107 58

Expense, 1951	\$9,744 54
Cash on hand, Dec. 31, 1951	3,363 04
	<hr/>
	\$13,107 58

*On December 31, 1950 the balance of cash on hand for the combined accounts of the Water and Sewer Departments was shown as \$4,765.22. Due to a ruling of the New Hampshire Public Service Commission it was necessary to separate these accounts into individual department records. The Town Auditors prepared the necessary analysis and on January 1, 1951 the sum of \$1,392.64 was transferred from the combined accounts to those of the Sewer Department. This will, therefore, explain the difference between the balance of cash shown in the 1950 Town Report (\$4,765.22) and the opening balance (\$3,372.58) shown above, for the Water Department.

MUNICIPAL COURT REPORT FOR YEAR 1951

The following is a report of your Municipal Court for the year ending December 31, 1951. It will be noted that there were fewer cases before the Court during this past year, which is a good sign during these times.

It is a pleasure to report no juvenile cases before the Court during the past year. Credit for this should be given to our boys and girls and their cooperation with Chief Walker and Officer Brandl.

Motor Vehicle Violations:

- | | | |
|----------|----|----------------------|
| Case No. | 1 | Fine and costs paid. |
| | 2 | Case filed. |

---------------------------------	---------

Audited Jan. 21, 1952.

T. H. DAVID,

Town Auditor.

PUBLIC HEALTH NURSING CASE REPORT FOR 1951

The following is the report of the visits made by Lucie Peterson R. N. between Jan. 1, 1951 and March 31, 1951.

Prenatal	1
Newborn	4
Postpartum	3
Non-communicable	97
Communicable	12
Tuberculosis	3
Pre-school	1
School	107

A class for the high school home economics was held, and a tour of the Franklin County Public Hospital was made by the class.

The remainder of the high school pupils were tested for hearing.

Examination for pediculosis was done and several cases were found.

To the best of my knowledge, the above report is correct.

Respectfully submitted,

GRAIS E. CHURCHILL, R. N.

The following is my report for the period between Sept. 17, 1951 and December 31, 1951.

The number of cases were:

Non-communicable	187
Communicable	70

Of these were:

Prenatal	1
Newborn	3
Infant (inc. baby station)	12
Pre-school	13
School	224
Adult	14
Health service	4
Crippled children services	2

The total field visits were: 613, office visits 43. Cases admitted 160, and discharged, 144.

The annual physical examination of school children was done after the opening of school this fall by Dr. Edmond La-Chaine assisted by the school nurse. The following defects were found.

Enlarged tonsils	84
Overweight	18
Underweight	5
Failure in eyesight	25

Of 158 pupils with poor teeth, many of them showed signs of being treated, several were primary teeth, but 46 were permanent teeth, most of these were high school students.

The both schools were examined for pediculosis. Many cases were found. Most of these in the grammar school.

Testing of hearing of all students, except the first grade, was done. There were 5 found with some hearing loss.

In the grammar school, 130 pupils were examined in December for ringworm of the scalp. No new cases were found.

A Baby Station and Pre-school health program was started in November but the attendance at these sessions every Tuesday has been poor. We hope for better attendance in warmer weather.

I wish to thank everyone for the help and co-operation they have given me, especially the members of the nursing service and the teachers.

Respectfully submitted,

GRAIS E. CHURCHILL, R. N.

The following is the report for the period between April 1, and September 15, 1951.

Deliveries	1
Post partum	5
Newborn	12
Non-communicable	105
Communicable	4
Tuberculosis	2

Health services:

Pre-school	1
School	480
Adult	13
Crippled Children Services	8

The total number of field visits were: 565. The total office visits were 38.

The number of cases admitted were: 116. The number of cases discharged were: 106.

Respectfully submitted,

MRS. HELEN DOYER,

Sub. Nurse.

LIBRARY REPORT

Hours open per week	23
Total circulation	18,277
Adult fiction	8,847
Adult non-fiction	1,602
Juvenile fiction	3,847
Juvenile non-fiction	1,712
Magazines	2,269
Average daily	71
Percent of fiction	.70

The library was thoroughly cleaned and rearranged and many old books were discarded this summer. We were able to purchase many replacements and new copies of the classics which are used by school borrowers.

The Amidon Fund at one time purchased all books and magazines used by the schools, but at present rates of interest, it supplies only about one-half the amount, the rest having to come from town funds.

Books, binding, magazines and everything needed in the library have increased in price. Next year we will be able to have about half as many books as were purchased this year; as last year we had about \$300.00 more due to a surplus carried over from the previous year.

There are outstanding bills which will use more than the balance shown in this year's financial report.

The library is in excellent condition and with the addition of new books, will continue to be better than the average library in a town of this size. Our wooden stacks should be replaced before many years and the room needs redecorating and a new floor covering.

LUELLA M. C. STREETER,
Librarian.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eighth day of March 1952, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
8. To see if the district will authorize the school board to arrange for and provide transportation for those children eligible to enter kindergarten in September, 1952, and thereafter and to raise a sufficient sum of money for this purpose.

Given under our hands at said Hinsdale, this fifteenth day
of February, 1952.

EARL A. CLARK,
MARGARET G. STREETER,
EDMUND A. BOUSQUET,
School Board.

A true copy of warrant—Attest:

EARL A. CLARK,
MARGARET G. STREETER,
EDMUND A. BOUSQUET,
School Board.

--------------	-------------	--------------

REPORT OF THE ELEMENTARY SCHOOL LUNCH PROGRAM

The school lunch program was operated for the second year. Only type "A" lunches were served. Nearly all of the children continued to take advantage of the hot lunches which were served.

Mrs. Doris Foster continued to manage the cafeteria and was ably assisted by Mrs. Roman Tkaczyk.

On November 18, 1950 a thirty cubic foot Harder Deep Freeze was purchased and installed in the kitchen of the cafeteria. This equipment is essential in a lunch program of this size and according to Mrs. Foster proved its worth immediately.

The lunch program records were kept by Miss Mabel Temple, Principal. The following is a summary of her financial report from June 30, 1950 to June 30, 1951.

Cash on hand June 30, 1950	\$799 22
----------------------------	----------

Receipts:

Cash received from lunches	\$6,776 00
Federal reimbursements from U. S. D. A.	2,402 14

	<hr/>
Total cash on hand and receipts	\$9,977 36

Disbursements:

Paid for food and milk	\$5,930 50
Paid for labor	1,570 32

New equipment	560 10
Other expenditures	691 74
	<hr/>
Total	\$8,752 66
	<hr/>
Balance	\$1,224 70

Respectfully submitted,
 ARTHUR G. SCOTT, JR.,
 Principal, Elementary School.

January 31, 1952.

REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

December 31, 1951

To the Superintendent of Schools:

I herewith submit my fifth annual report as principal of the high school.

The school year included a variety of activities which insured a well-rounded school program. The scholastic and informal activities of the school provided a program which compared favorably with the larger secondary schools in our state.

If you should look back over the previous Annual Reports to the Superintendent, you would notice that each report emphasized the program of a particular department in the school. This report will accent the program of activities in the commercial department.

Classes in the commercial department include stenography, office practice, junior business training, commercial geography, bookkeeping and typing. Along with the subjects taught the commercial department contributes a great deal to the publications of all the school programs. It also publishes various programs for town organizations for a minimum fee. This department is responsible for the duplication of letters, programs, statistics and tickets for general school use. Practically all the work is done by pupils in the commercial department. In the past year different town organizations benefited by the work

performed by commercial students. It is necessary to request the town organizations who subscribe to ditto work through the school, that all sample copies be presented to the school office at least three school weeks prior to the delivery date of the work. This will allow the department to function with a minimum amount of interference from outside work.

A school publication, *The Quill*, was revived by the commercial department this past year. Selected pupils from all the grades in the school assembled, edited and published the school newspaper. The faculty advisor to the school paper was the commercial teacher.

Educational trips were varied during the year. The senior English class chartered a bus to Boston to supplement their course in American Literature. The expenses of the trip were borne by the pupils who made the trip. A home economics class went to the Chateau at Northfield. An English class studying newspapers went to Brattleboro to see the Reformer go to press. A group of students visited the Nelson museum at Winchester. One of the commercial classes observed the Holstein-Friesian plant in operation. The senior class earned their way to a six day trip to New York and Washington. The band went to Portsmouth to attend the All-State Chorus and All-State Band concerts. A number of our pupils participated in the concerts and it was a real treat for the whole band to remain overnight. The overnight stay was made possible by interested townspeople who contributed sufficient funds to pay all of the expenses in connection with the extra night of this trip. A trip to Walpole was made by the band and chorus to participate in the South-West State Music Festival.

A small group of students from science classes attended the State Science Fair held at Keene Teachers College. Science projects made by high school pupils were exhibited at the Science Fair. The president of the Student Council took part in the National Convention of Student Councils which was held for three days at Wellesley, Mass.

The Freshmen and Junior Plays were very successful. The plays presented were, "Love Hits Wilbur," "Johnny Takes the Cake," and "Jerry Gets the Fever."

The Seniors presented a rather unique play entitled "The Spider." The play was well attended and well received.

The Christmas and Spring Concerts were equally successful. The band and the junior band, the chorus and junior chorus, and selected members of the elementary school performed in the Christmas Concert. At the South-West State Music Festival in Walpole, our Chorus and Band joined other high school bands and choruses to present a combined choral and band concert. The concert lasted over two hours and entertained a capacity crowd in the new Walpole gym.

The State Labor Placement Bureau in Keene gave a mechanical aptitude test to boys in the senior class. The results of these test were interpreted to each pupil who took the test. The students were counseled in regard to vocations in which the tests indicated potential success.

The eight and ninth grades had social parties at the School. Other Friday night socials were held after home basketball games. The members of the contesting schools and their friends were invited to social dancing in the town hall. The Student Council is attempting to increase the attendance and provide some entertainment at the socials during the present basketball season. Unless more interest is shown in the socials they may be discontinued.

The sports program is functioning with unabated vitality. Seasonal sports are effective and many pupils are taking advantage of these opportunities. The sports program is no longer extra-curricular but really part of our school curricula.

The National Education Week was observed by an Open-House. Parents should feel that a perennial visit to the school on Open-House night is mandatory.

The members of the graduating class of 1951, and the class officers, follows:

Robert Dennis Blouin	Stanley Edward Buraczynski
Chester Bernard Bomba	Donald Charles Burroughs
Winifred Mary Brooks	Wilfred Edwin Butler
Stanley Edward Boroski	Raymond Ernest Butler
John Vincent Buraczynski	Ella Ann Cousins

Greta Mildred Gahn	Wayne Harlan Owen
Donald Burris Graham, Jr.	Sophie Irene Pelis
James Richard Hayes	*James Alexander Reid, Jr.
Janice Elizabeth Hudson	Helen Patricia Sikoski
Mary Antoinette Mamarino	Edward Otis Smith
Beatrice Hortense Mead	Robert Gordon Stephens
Theresa Ann Mulroney	Isis Lee Streeter

Arnold James Young

*Received a High School Equivalent Certificate; issued by
the State Board of Education

CLASS OFFICERS

President	Arnold Young
Vice-President	Edward Smith
Secretary	Theresa Mulroney
Treasurer	Winifred Brooks

The financial status of the School Activities Fund as of
December 13, 1951, was as follows:

Class of 1952	\$445 82
Class of 1953	575 57
Class of 1954	334 75
Class of 1955	188 51
Class of 1956	79 53
Class of 1957	19 05
Music Fund	112 55

Parents and friends are welcome to visit school at any time,
and make appointments with teachers after school whenever
necessary.

Respectfully submitted,

LEON D. DOYER,

Principal.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hinsdale:

I have the honor to submit my fifth annual report.

Teachers: There was but one change in the elementary school staff when school opened in September. This change, however, was most momentous in Hinsdale's educational history and merits special recognition. After forty-seven consecutive years of teaching the youth of this community, Miss Mabel E. Temple resigned to enjoy a well earned retirement. The Hinsdale pupils taught by Miss Temple are legion, for generations of them have sat in her classes. To my knowledge, no other teacher has taught in this town as long as Miss Temple. Hers is a record of splendid achievement which I predict will stand for years to come.

Mr. Arthur G. Scott, teacher in the High School last year, became the new principal of the elementary school upon the resignation of Miss Temple. His place in the High School was filled by the election of Mr. Stanford White, a graduate of Keene Teachers College.

There were two other changes in the high school staff. Mr. William S. McMillan was elected to the position of Supervisor of Music to replace Mr. Robert H. Criden who resigned to accept a position in Buffalo, N. Y. Mr. McMillan is a graduate of Ithaca College, Ithaca, N. Y. Miss Ellen McClintock, a graduate of Plymouth Teachers College, was elected to the Commercial position vacated by Miss Mary A. Brown who resigned to be married.

After teaching until the Christmas vacation, Mrs. Doris B. Smith was granted a leave of absence for the balance of this school year. She has been replaced by Mr. George W. Barnjum, a graduate of Keene Teachers College.

Buildings and Grounds: In keeping with the long range plans of the school board whereby one room a year is reconditioned in the high school building, this year saw the complete redecoration of the main room. This room was repainted, the

walls being done in a soft eye-saving green. The finish is not glossy but satin in texture so that as little light as possible is reflected directly into the eyes of the pupils.

The school board is planning now to recondition room 1 in the high school building during the next summer vacation. The fence on the east side of the building will probably be replaced. New front doors will be hung since the old ones are now beyond repair.

At the Elementary School, the unfinished room in the basement is being completed out of the balance in the school building fund. A sound resistant material has been installed in the ceiling. Asphalt tile will be laid as the floor covering. The room should be ready for occupancy when school opens next September.

New Equipment: Two new typewriters and a new adding machine were purchased for the Commercial Department. A three speed record player was added to the music department equipment. Also, the sousaphone was completely overhauled and replated during the summer. Acting on the recommendation made by Miss Verna Payson, State Supervisor of Home Economics, the school board purchased 24 steel folding chairs and 3 folding masonite top tables for the Home Economics Department. A new electric sewing machine was also bought.

A new band saw was added to the high school shop equipment. The chemical laboratory was furnished with needed apparatus.

Three small carbon dioxide fire extinguishers were bought for the High School, one each for the chemistry laboratory, the home economics room and the shop. A larger dry chemical fire extinguisher has been installed at the boiler room of the Elementary School.

The high school band was completely outfitted with new uniforms, thanks to the Band Sponsors' Club.

ENROLLMENT TRENDS
Enrollment Table—September, 1951

Schools	GRADE												Total	
	K	1	2	3	4	5	6	7	8	9	10	11		12
Elementary	37	38	41	40	40	43	34							273
High								30	30	27	29	29	18	163
Grand total														436

Possible Future First Grade Enrollments
 (Data taken from School Census Cards)

1952	1953	1954	1955	1956
50	63	37	39	46

It is impossible to predict accurately just what the enrollments will be during the next five years. Families move in and out of town and the figures will change from year to year. However, by projecting the numbers of pre-school children now shown on the census cards on the grade table printed above, at least an indication of future enrollments may be secured. Since not all children of kindergarten age are in attendance, the present enrollment of 37 is used as an arbitrary figure in the following table.

Possible Future Enrollments
Elementary School

School Year	GRADE							Total
	K	1	2	3	4	5	6	
1952-1953	37	50	38	41	40	40	43	289
1953-1954	37	63	50	38	41	40	40	309
1954-1955	37	37	63	50	38	41	40	306
1955-1956	37	39	37	63	50	38	41	305
1956-1957	37	45	39	37	63	50	38	309

High School (next eleven years)

School Year	GRADE						Total
	7	8	9	10	11	12	
1952-1953	34	30	30	27	29	29	179
1953-1954	43	34	30	30	27	29	193

1954-1955	40	43	34	30	30	27	204
1955-1956	40	40	43	34	30	30	217
1956-1957	41	40	40	43	34	30	228
1957-1958	38	41	40	40	43	34	236
1958-1959	50	38	41	40	40	43	252
1959-1960	63	50	38	41	40	40	272
1960-1961	37	63	50	38	41	40	269
1961-1962	39	37	63	50	38	41	268
1962-1963	45	39	37	63	50	38	272

It is dangerous to use the figures in the above tables as factual. They assume that the pupils will all be promoted from year to year and that all will remain in school from grade 1 through grade 12. They assume also that the pupils will continue to live in Hinsdale, none will drop out of school and no newcomers will be added.

However, recognizing their shortcomings, the figures do present an interesting picture. They indicate that beginning in 1953, the elementary school enrollment will level off in excess of 300. The high school enrollment does not level off until 1959, just six years later as would be expected. The high school enrollment then would be approximately 270 compared with the present 163. Indications are that during the next eight years, the high school enrollment will steadily increase.

It is highly essential that the high school building be kept in good repair and serious thought be given in planning to meet the increased enrollments to come.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, to the School Board and to the patrons of our schools for their cooperation.

Respectfully submitted,

CHESTER C. LEES,

Superintendent of Schools.

January 15, 1952

Winchester, New Hampshire

ROLL OF HONOR
